Three persons including a cleric have been killed in Kaduna, while security personnel have arrested five persons in connection with the murder.

It was gathered that the armed bandits invaded Kawaran Rafi village of Igabi local government area of Kaduna State and killed one Danleeman Isah, the Chief Imam of the village.

This was contained in a security update issued by the commissioner for Internal security and Home Affairs, Samuel Aruwan on Saturday.

The statement said, ‘the bandits moved straight to Isah’s residence, and in what appears to be a pre-meditated murder, shot him dead and left the location without taking any items or hostages.

”The murder of the cleric has been linked to his vocal stance against the killing and kidnapping of the citizenry by bandits.
