POLICE authorities in Abuja, the Federal Capital Territory (FCT), have commenced investigations into the murder of one Miss Blessing Otunla, a former student of the University of Abuja, whose body was found inside the gutter on the Iddo village axis of Abuja metropolis.

This was contained in a statement made available to newsmen in Abuja on Monday by the spokesperson for the FCT police command, ASP Yusuf Mariam.

Yusuf said the command's Commissioner of Police,

Bala Ciroma, condemned the murder and had directed that discreet investigation be carried out immediately to apprehend the perpetrators.

A relative of Otunla with the Twitter handle, **@Dondekojo**, confirmed the development and faulted the process of having to travel to get transcripts after graduation.

"I lost a cousin yesterday, and it's emblematic of the state of the country

"Why do graduates need to travel all the way for transcripts? She travelled to Abuja for her transcript and was found dead in a gutter. So sad," the relative tweeted.
