## 11 killed, 22 injured in Osun auto crash

**Adeolu Adeyemo | Osogbo**

The accident which occurred at Gbongan junction, opposite Ayedaade Local Government secretariat involved a white Mazda E2000 commercial vehicle with registration number KJA392YA and a black Toyota Hiace commercial bus.

NO fewer than 11 persons lost their lives in a ghastly motor accident that occurred along Ife-Gbongan-Ibadan highway around midnight on Friday.

*Sunday Tribune* gathered the accident which was said to have been caused as a result of excessive speeding left 22 passengers with severe bodily injuries.

Investigations further revealed that 16 of the injured

victims were taken to Ari-remako Hospital, Gbongan, while the other six injured were rushed to Central Hospital, Osogbo.

Confirming the incident, the Public Relations Officer of the Federal Road Safety

Corps (FRSC), Osogbo, Mrs. Agnes Ogungbemi, disclosed that six corpses retrieved from the accident scene had been desposited at the morgue of Obafemi Awolowo University Teaching Hospital (OAUTH).
