### How Workplace Sexual Harassment Forces Many Out Of Their Dream Jobs

Despite several laws prohibiting sexual harassment in Nigeria, many victims are forced to quit their dream jobs while others suffer depression as a result of unsolicited sexual advances from colleagues. FAITH ADEOYE reports.

If you want to keep your job and excel in your career, you need to do as I say," Janet Abegunde's boss said to her one fateful day. Miss Abegunde, a 24-year-old accountant who had just gotten her first job in one of the new generation banks, said she fell into depression after her boss sexually harassed her.

### Viral Voice Note On WhatsApp Billing False

Claim: A viral WhatsApp voice note, purportedly made by the director and CEO of WhatsApp, claims users will have to start paying for WhatsApp services.

Verdict: The viral WhatsApp voice note claim is a hoax. The content is not new and has been circulated as a broadcast message several times in the past.

### Marburg Virus: What You Need To Know About Disease Recently Detected In West Africa

On Monday, August 9, 2021, the World Health Organisation (WHO) confirmed the first case of Marburg virus in West Africa in Guinea. This development has sent shivers down the spines of West Africans who are still grappling with the effects of the coronavirus pandemic. But before this dreaded disease is greeted by rumours and misinformation, here is what you have to know about the virus.
