

2 Gunmen kill six, abduct village head in Kano

Kola Oyelere | Kano

GUNMEN on Sunday invaded Karfi village in Takai Local Government Area of Kano State and killed six persons, just as they abducted the village head, Yahya Illu.

It was gathered that the gunmen, in their large numbers, opened fire on the villages, killing the six persons, while three others sustained injuries.

The state Police Public Relations Officer (PPRO),

SP Haruna Kiyawa, while confirming the incident, disclosed that the gunmen entered Takai Karfi village, which is about 90 kilometres from the state capital, through Ringim forest that borders Jigawa and other

neighbouring states.

He said the command immediately dispatched a team of police crack operatives to the area, just as he assured that the abducted village head would be rescued.
