

Rivers police command kills Solution, notorious cult leader in Owube Kingdom

THE Rivers State police command has successfully neutralized Izuma David Odieroke, also known as Solution, a notorious cult leader operating in Owube Kingdom, Ahoada West Local Government Area of Rivers State.

Odieroke, who had long been on the wanted list of

the police, met his end in a gun battle with law enforcement officers in a forest within the local government area at approximately 4 am on Monday.

Addressing the press at the Ahoada Area Command, where Odieroke's body was brought, Commissioner of Police, Olatunji Disu, stated, "We have been under attack

from him and his cult group for some time.

"The command declared him wanted in 2016 due to numerous killings attributed to him. He is a serial killer, and his criminal activities have rendered his clan deserted.

"The reign of terror perpetrated by Odieroke came to an end when the command led a successful operation

to his camp at Api forest, situated between Odieroke Ubie and Joinkarama 4 in Ahoada West LGA."

Disu listed over ten individuals killed by Odieroke's Greenland Cult during his reign of terror, including the notable paramount ruler, Sampson, who fell victim to the gangster on February 2, 2024.

He commended the of-

ficers of the Ahoada Area Command and Division for their dedication and urged them to remain steadfast in their commitment to maintaining peace and security in the region.

The Commissioner also expressed gratitude to the local community for their cooperation.

In a show of solidarity, members of the Ahoada

West community gathered to express their appreciation for the Rivers State Police Command's efforts in restoring peace.

Chairman of Ahoada East LGA, Ben Eke, expressed his satisfaction, stating, "Even though he is from Ahoada West and was neutralized there, the ripple effects of reduced criminality will benefit my LGA."
