**A**N Ibadan-based businesswoman and graduate of the College of Medicine, University of

Ibadan, Dr Dolapo Tejumola, has been killed by gunmen.

Dr Tejumola was robbed and murdered on Sunday at her Bodija residence in Ibadan North Local Government Area of the state.

The gunmen, as reliably gathered, after ransacking her house, strangled her to death.

The incident has thrown the entire neighbourhood into mourning.

The deceased was the owner of the popular Zooma Stores in Bodija.

When contacted, the state Police Public Relations Officer (PPRO), Adewale Osifeso said investigation was ongoing.
