TROOPS of 3 Division/Joint Task Force Operation, Enduring Peace (JTF OPEP) have apprehended a notorious gunrunner who specialised in supplying arms, ammunition and logistics to a banditry

syndicate.

According to a statement issued by the JTF-OPEP Media Information Officer, Major Samson Zhakom, and made available to the Nigerian Tribune in Jos, the gunrunner, who had been on the security watch list, was caught follow-

ing intelligence reports, while a cache of weapons was recovered from him.

The statement pointed out that the troops, acting on credible intelligence, tracked the gunrunner to his hideout, where he was apprehended over the

weekend while receiving treatment for prior gunshot wounds.

"Following his arrest, the miscreant confessed to his role as a logistics supplier and agreed to lead troops to recover his arms cache," the statement read.
