The 26 year old lady, Adebukola Adefisayo, who was arrested by the police in Lagos on Monday for the murder of her 62 year-old mother whom she accused of wrecking their family with witchcraft has owned up to the murder of her own mother whom she said introduced her to hard drugs when she was nine years old.

"I hit her with a sledge hammer and she died. I killed her, I am not a suspect, I am a murderer. My mum introduced me to drugs, she gave me my first cocaine when I was only nine years old. She kept giving it to me until I became an addict. No one could take me to a rehabilitation center because even my mum was into drugs.

I loved her but she messed up", she said. Briefing newsmen in Lagos yesterday, Lagos State police spokesman Frank Mba said Adebukola committed the crime on Wednesday, August 19, 2009 at No. 2/4, Solabomi Crescent, Aguda, Surulere, Lagos. Bukola Adefisayo also alleged that her mother was responsible for many of her troubles, adding that she also alleged that her late mother, Mrs. Adedoyin Williams was responsible for the death of her elder sister, Bunmi, whom she said was used for money-making rituals.

The United States returnee confessed that she had to take care of her mother because of the terrible situation she was in. Police Spokesman Frank Mba said the suspect, immediately after committing the crime, bolted from her home to take refuge at Silver Life Resort Hotel, also located in Surulere, with their house-help, Segun.
