

Hit and run driver kills woman

A woman, whose identity could not be immediately ascertained, was on Monday morning killed by a hit and run driver on the Lagos-Ibadan Expressway.

It was a most horrific sight.

This happened almost opposite the Redeemed Christian Church Of God campground. It is one clear case of avoidable death, which would not have occurred were pedestrian bridges built at the major spots of the ever-busy road.

Opeoluwa Osoisanwo.

2, Eja Osan Lane, Ijebu Ode.
