

Suspected boy-robber caught

AN 11-year-old boy was nabbed at the weekend by members of a vigilance group on security watch in a street in Dopemu, Agege, Lagos, around 2.00a.m pasting letters announcing that robbers would return to the street.

He was promptly handed over to the *Baale* (traditional ruler) of the area. Dopemu had been under the siege of robbers, who killed no fewer than five residents.
