

Robbers kill two cops, five others in Agbara

ARMED robbers have killed two policemen and five other persons at Agbara, Ogun State.

A passerby, who was lucky to escape being hit by a stray bullet when the bandits were shooting in the air at the scene of the crime on Thursday last week,

said the operation was shift and movie-like.

According to the witness, the victims, who were in a Jetta car, carried an unspecified amount of money, about which the bandits must have had a tip-off

The car, he said, was

coming from Seme border while the bandits were going the opposite direction.

He added that immediately the robbers met the car, they ordered its driver to stop. While some of them took strategic positions, the others searched

the vehicle.

As soon as they found the money, they opened fire on the occupants of the vehicle, killing two policemen and five other people on the spot.
