Two policemen die in car crash in Amuwo-Odofin

TWO policemen died in an early morning car crash on Friday in Amuwo-Odofin Estate in Lagos State.

The third occupant of the car, who was also a policeman, Robert Oguntimeyin, survived the crash with mi-

nor injuries.

The policemen, who were in a Nissan Bluebird car with an Edo State registration number, were attached to Orile Police Station.

The driver of the car, who was on top speed, lost con-

trol and collided with an oncoming trailer.

Speaking about his miraculous survival, Oguntimeyin gave the names of his dead colleagues as Corporal Hammed and Corporal Azeez, adding that the three of them were com-

ing from Ikotun where they had gone to inspect a house.

A team of policemen from FESTAC and other sympathisers rushed to the scene to help the victims.
