NO fewer than two members of the National Youth Service Corps lost their lives in a road accident, which occurred on Ikirun-Offa Road, on Friday evening.

Sources disclosed to our correspondent, on Saturday, that the tragedy occurred when the bus which the NYSC members were traveling in had a collision with an oncoming vehicle.

It was gathered that many of the corps members, who were heading to Ilorin for a programme in the bus, sustained severe injuries.

Our correspondent gathered that the corpses of the two corps members have been deposited at the morgue of Ladoke Akintola University Teaching Hospital, Osogbo.

Some of the victims who sustained injuries are currently receiving treatment at the intensive care unit of the same hospital.

Many corps members were seen weeping at LAUTECH, Osogbo, when our correspondent visited the hospital, even as some relatives were being consoled by sympathisers.
