

# Three die, 10 injured in Edo road accident

## Emmanuel Obe, Benin

accident were a Mercedes Banz 911 truck carrying motor parts; a Mercedes Benz 911 truck carrying wood; and a third Mercedes Benz 911 truck carrying unidentified goods from Enugu to Lagos.

While the Mack trailer was travelling from Onitsha to Lagos, the other two 911 trucks were traveling from Lagos to the East. The fifth vehicle was a Mercedes Benz

saloon car with registration number, CQ 693 LND, which was heading to Lagos from the South-East while the sixth was a Dyna truck. Both the deceased and the injured persons were taken to the University of Benin Teaching Hospital for attention.

Chukwuma said the accident was caused by the violation of the one-way rule along the dual carriage-way where a construction company was carrying out repair works. He said the two lanes on the road were blocked for several hours before the construction firm's earth movers were used to clear the wreckage.

Chukwuma noted that more than 20 lives had been lost on that portion of the road within the last three

months. *Saturday Punch* work on the road, which year, has made the spot observed that the repair has been on since last prone to fatal accidents.
