Students of Government Girls' Secondary School, Azare, Bauchi State lynched a suspected rapist, who allegedly entered their school premises at night, the principal said.

The suspect identified as Dahiru, 25, who lived in Masangu quarters in Azare, was allegedly seen hiding in the toilet at night, the News Agency of Nigeria reports.

Speaking to newsmen on Tuesday, the Principal, Hajiya Balaraba Abdulkadir, said that the suspect entered the dormitory area about 2am on Saturday and hid himself in the toilet, waiting for his victims.

She said that some girls, who had gone to the toilet to ease themselves, saw the man naked and raised the alarm which attracted other students.

Abdulkadir said the students caught the suspect, lynched him after a struggle and deposited his corpse outside the school gate.

"The intruder was caught by a large number of students. After a struggle, they lynched him and deposited his corpse outside the school gate," she said.

The principal said that policemen later removed the corpse and handed it over to the parents of the deceased.

She said the Divisional Police Officer in-charge of Katagum Local Government Area, Mr. Peter Wataba, promised the students that the police would increase patrols in the area and solicited their co-operation.

Wataba also said that the police would need the support of the community in the fight against bad elements in the area, the principal said.

She appealed to the state government to construct a standard fence round the school to ward off intruders.

NAN learnt that there have been frequent cases of intruders entering girls' schools in the state, including a recent case in Girls' Secondary School, Bauchi.

Also, female students of the Bauchi College of Advanced Studies have complained of male intruders in their hostels at night.
