Jos crisis: 4 die in fresh attack

By Agency reporter, Published: Sunday, 25 Apr 2010

Fresh hostilities erupted in Plateau State as four persons were feared killed in Jos, the state capital on Saturday.

The killings came just two days after the Northern Governors Forum held special meeting in the city over the frequent sectarian crises on the Plateau.

SUNDAY PUNCH gathered that the killings on Saturday took place at Dutse Uku area of Nasarawa Gwom.

The Special Task Force confirmed this in a statement signed by Brig. Donald Orji.

According to the statement, trouble started early Saturday, when a resident of the area, Mallam Nuhu Hamza, reported to the task force the missing of his 18-year- old son.

It added that the missing youngster was later found tied and stuffed in a sack.

Meanwhile, the corpse of another 20-year-old Weze Nhiwe was found in Kpamru area of Maingo.

The lad, it was learnt, was last seen on Thursday. Already, two persons have been arrested by the police for interrogation in respect of the case.

Cant people see that this is what PDP has given to this nation? what kind of government has not found a solution to the Jos crisis? If it is to share Halliburton bribe money it will be done perfected. Is it not clear that this evil party steals money so perfectly it is not to catch them? But when it comes to solving the problems of the nation they have no single clue. how many more families will be wiped out in Jos before they wake up. For me, lets have an interim government.

Peace of the Father be with this nation. If we continue to fold our hands, pray and watch this people, then the case will continue. I enjoin all christians to avenge the death of their brothers. Enough is enough! The day of reckoning draws near.

Elder, these are the end times and we Christians need to pray hard and get closer to Christ. I do not believe Plateau State should even be associated with any Northern forum or take part in any of its meetings. Plateau State should identify more with other Christian Middle Belt States and strenghten its relationship with its Christian brothers and sisters down south. The Islamic Arewa has been nothing but trouble and setbacks. They should go back to their deserts where they belong!
