UNKNOWN gunmen suspected to be hired assassins have shot and killed a **businessman** identified as Mr. Boma Adolphus Imabibo in Port Harcourt, **Rivers** State.

Imabibo, who was driving his Land Rover Jeep with Registration Number EF 593 PHC late on Friday, was said to have been trailed by assailants along Wokekoro Street, Old GRA in Port Harcourt.

His assailants, who were three in number, were said to have overtaken his vehicle and forced him to stop.

An eyewitness said that without probing their victim, the hoodlums opened fire on the vehicle and pumped several bullets into Imabibo's body.

The suspected assassins later sped off to an unknown destination in a yet to be identified vehicle leaving their victim in a critical state.

A team of security operatives rushed Imabibo to a nearby hospital, where he was certified dead.

Confirming the incident, the **Rivers** State Police Public Relations Officer, Dr. (Mrs.) Rita Inoma-Abbey, said that the police patrol team rushed to the scene of the incident when they heard the gunshots.

Inoma-Abbey explained that the **businessman** from Okrika was rushed to the hospital where he died.

She said that efforts were in top gear to track down the culprits.
