Two persons lost their lives in a lone auto crash in Ibadan, Oyo State capital in the early hours of Wednesday.

Three others also sustained various degrees of injury in the accident that occurred on the Lagos-Ibadan Expressway. The accident reportedly occurred when the two front tyres of a lorry marked XB 261 ZUR (Kebbi) said to be conveying tubers of yam from Abuja burst.

As a result, the lorry was said to have veered off its route and tumbled on the other side of highway.

The two persons who lost their lives were said to be sitting on the top of the lorry at the time of the accident.

Eyewitnesses said they were flung off the vehicle.

- I wonder why people should be playing with their precious life by sitting on top of lorry carrying load. I think this will serve as a lesson to others.
