Herdsmen kill ex-corps member in Bauchi

February 23, 2012 by Jude Owuamanam, Jos

A group of herdsmen in Tafawa Balewa area of Bauchi State has attacked and killed a female ex-corps member, Miss Lovina Olugua.

The ex-corps member had boarded a taxi from Bogor to Tafawa Balewa when the driver ran into a roadblock mounted by the herdsmen around 8pm.

The herdsmen allegedly fired on the taxi but the driver, identified as Isa Iliya, managed to escape with gunshot wounds in his hands and legs.

The herdsmen then pounced on Olugwai and attacked her with machetes.

After killing her, they set her corpse ablaze.

Olugua was said to have finished her national youth service programme six months ago at the Agriculture Department of Tafawa Balewa Local Government.

Commissioner of Police, Bauchi State Command, Mr. Ikechukwu Aduba, who confirmed the incident, said it was part of secret killings that had been going on since the police

botched an attack in Tafawa Balewa.

Aduba also said that on Thursday, around 11.45am, unidentified gunmen killed Hassan Maigoro at Ginzum Bogoro within Tafawa Balewa.

The stupid girl should have just left the northern state after NYSC. There was no reason to stay and get killed. Common sense first.

Besides, don't blame the herdsmen who shot at the car. Maybe they thought they were going to be hit by the car so they shot in self-defense. You never know the true details of the story until everybody gives their side of the story.

If any of you guys believe our politicians ,then you'll believe anything. They keep saying we're one indivisible nigeria but every one of the group that make up this country has am issue wit the unit called nigeria.the north have arewa,the east have biafra,the west have odua,the niger delta has mend. All these groups are calling for self autonomy and yet our politician keep saying corpers should serve in any part of the country they're posted to. I pity any corper who accepts to go risk his or her life in the name of service. Only a fool will jump in front of a moving vehicle. I really pity the poor girl and my heart goes out to her family. As for the evil men who kill for fun,i'm glad they cannot escape God almighty and his wrath.

The northern fanatics intolerance towards others is going way too far, Hmmm one day, just one day, it might become too much for the other sections to bear, It is worthless living, doing business or sharing the same nation with the likes of these bloodletting and SATANIC worshipers

GOD will definitely punish u guys. u don't want this nation to move forward. senator adetumbi raise a motion yesterday at the national assembly about insecurity in the north and that corpers should not be posted to those state. but the senate president turn down motion. they should stop posting corpers to the north.

how long shall this be? We have spoken as Nigerians that each corper should be allowed to serve in his region of his/her origin. Let control this regular killing of youth that their parents had spent much on. Enough is enough!

Kunle, did you hear yourself well? You said they properly acted in self defence. Did you ask why in the first place the barbarians mounted road block, if not to kill? Was the poor girl armed when the condemned blood-sucking demons approached & matcheted her to death? Why did

they burn her corpses? Always reason before you open your mouth to misyan.

The Northern elite embezzled and stole the Federal funds earmarked for NOMADIC EDUCATION in the 60's, 70's and 80's. There were no veterinary institutions or veterinary science graduates to show for it. The Fulani herdsmen constitute big nuisance to Nigerian communities; they damage crops, attack farmers in their homesteads, hold up traffic and even rob road users at gun point. This Federal grant was at the expense of holding back education in the South similar provisions were never made for occupational fishermen in the riverine areas of the South. It is the prize of unity with a band of savages. It is still ridiculous that some entertain the idea of a one Nigeria. The only reason the young lady was murdered was because she was southerner.
