JTF kills three Boko Haram members in Maiduguri

March 26, 2012 by Agency Reporter [56 Comments](#)

The Joint Task Force said on Sunday that it had killed three

members of the terror group, Boko Haram, in a gun duel with soldiers in Maiduguri.

Although the total number of casualties was unknown as at the time of filing this report, the JTF claimed to have killed three members of the sect.

Narrating details of the shootout to *THEWILL*, JTF Spokesman, Lt. Col. Sagir Musa, said the sect attacked a location of the task force along Abaganaram and railway quarters between 5.30pm and 7.15pm.

Musa said, “We repelled the attack and three Boko Haram members were killed in the process. We recovered an AK 47 rifle and 200 rounds of 6.722 mm special ammunition.

“The situation is under control but we are still actively pursuing those who escaped. The press will have more information as developments unfold.”

THEWILL confirmed that the Islamist terrorists also besieged the Lamisula Police Station, engaging the Police in a gun battle for about an hour, in addition to launching rockets and hand-held bombs to destroy parts of the station.

The deafening sound of bomb blasts forced residents of the city to run for cover, even as many people who were held up outside their homes were made to sleep on the roads, as JTF men enforced a 7pm to 6am curfew.

Abba Modu, a resident who was forced to pass the night on the road, said the JTF refused to consider pleas to let them drive home after the attack.

“They told us that a law is a law,” he lamented. “Initially, we were made to lie flat on the floor and we were subjected to rigorous checks. I had no choice but to call my family to let them know that I would be sleeping on the road.”

In addition to corpses deposited at the morgue, eyewitnesses said

injured policemen and civilians were rushed to the University of Maiduguri Teaching Hospital.

JTF i repeat myself:

clean, sweep, brush, destroy, clear, wipe, maim, massacre, kill-off, scatter, crush, confuse, crackdown, and attack-monstrously these islamo-fascists and send them to al-jannah to meet their 72 virgins.

but wait a minute it seems allah has run out of virgins due to the number of terrorists that are getting killed by western, and other global government forces.

@Fela,

Just hold it ok...bc long before politics emerged the way it has emerged now, mohammed had instructed u guys in the koran to kill the jews and the christians for they are infidels, to subdue them and instill terror in their hearts.

The reason u re shifting it tp politics is bc you all are under a satanic OATH never to condemn the acts of a fellow muslim against others EXCEPT it is against thier muslim brothers. You guys don't want to take any responsibility. Its so bad that even when Boko Haram says openly on youtube that they are attacking christians and churches and will continue to do so, u people will still maintain its not religious but political- who are u deceiving.

It is just unfortunate, just this morning i read they are planning massive attacks to mark osama bin laden's one yr of passing. Tell me what is the politics in this one if not that this God forsaken mohammed has infiltrated ur hearts with destruction and has taken ur heads away, leaving u guys with no brains- just ordinary skull.

Take it now and stop all these irrelevant comments in support if islam bc islam has failed the world- generation to generation will never forgive islam for the pains and sorrow it has shown the world. It is not politics, ok, it is an ideological thing and the only thing that can stop such madness is retaliation.

I am ashamed of all muslims- as a matter of fact, i get irritated whenever i hear an arabic, muslim or northern nig name- it upsets me and disgusts me for the whole day. If 10 more people ABHOR islam and the way i do, i bet in islam and whatever it stands for will vanish in a second. Useless things...osma bin laden will die in pakistan, then nig muslims will start killing christians in nig-its amazing. Meanwhile this same osama was the guy that killed thousands of americans in cold blood- to muslims it is good.

What is the future of the North if young men are disappearing today? Islam must be prohibited in Nigeria: that is the only solution!

I will want to advise anyone doing business with a muslim to be very careful, whether as a business associate,colleague or even friend as you are the nearest victim ones they want to strike, they can never mercy you since you are an infidel. What is the work of almajiri (Islamic Beggar) according to some of them that are now Born Again these boys go about begging for money which they can never use to eat, rather the money is given to a mallam who does some incantation on that money for 7days for one alhaji, the money is put inside a calabash, what it means is that everyone you give them money as a result of trying to help is trading her star or favour with one mallam and alhaji who will eventual come for the exchange of the money in the calabash. Islam is not only a religion of war but very diabolic. If their are claiming is not a religion of war, why are their killing innocent christain that never asked them for food or water, Ask the hausaland in kano if rain use to fall in kano before, they had to seek christain in kano who prayed to God and now kano is seeing rainfall. Why are their killing Christians in Zamfara state the leed that was killing them is it a new development don't they have past presidents and serving governor who can do something but refused to do it, But just because GEJ became a president and they problem is gradually becoming over an infidel still. why are their killing christain That some of them is refined now is that some igbo traders are using them and teaching them trade and after some years based on the agreement they are settled. which muslim can do it for their fellow muslim, as long as in the evenings you come to their gates with your bowl on your head and you eat a left over they think they have done them good. God is in Nigeria and He will continue to watch over us. He never sleep nor slumbers. Psalm

91 and 23 is all the portions of Christians living in the north. God bless Mr. President, God bless every well meaning Nigeria and God bless you who will never soil your hand in killing innocent souls. Always remember that he who kills with sword will die with sword and remember the symbol of islam "sword."

Be it religious, political or economical we have clearly seen that the so called president of Nigeria is nothing but a toothless dog. The man has no control over anything under him. He's definately a man made president and the arms of Boko Haram will surely catch up with him as his own blood too must be shed just as he (G.E.J) has watched other people's blood being shed and the whole world will know and see that the IROKO tree is better cut off at an early stage because if it grows stronger it will it would have gotten its root deep down the ground.

What did your uncle, Obasanjo accomplish when he was the president? wasn't he the one who supported Sharia law in the north? The same law the former presidents from the north couldn't put in place. When it was time to meet with the Boko Haram, wasn't he (Obasanjo) the one those boko haram terrorists chose to meet with for dialogue? There's always a limit of what the president can do. It's just out of ignorance that you're insulting the president. Your stupidity and lack of good judgement make you think the president has a magic wand to solve all the problems that have been piling up for the past 51 years. Even though I don't support any Nigerian leaders, it's better to respect the lesser evil than to sit in your room and and run your mouth.

THE BEST WAY TO HANDLE THIS IS TO SPLIT THE COUNTRY, KEEP FIGHTING WHILE OTHER DEVELOP NIGERIA WILL BE FIGHTING A NON ENDLESS WAR. MOSLEMS ARE LIKE THAT, IS TIT TODAY THEY STARTED KILLING CHRISTIANS ? YOU CANT FORCE MOSLEMS TO CHANGE THEIR BELIEF, THEY ARE BEING TAUGHT THEY HAVE THE BEST RELEGION, THAT THEY ARE SUPERIOR, AND TO DEFEND THEIR RELEGION BY KILLING CHRISTIANS. THAT IS WHY IF YOU HAVE LIVED IN THE NORTH, YOUR SO CALL MOSLEM FRIEND WILL NOT TELL YOU TO RUN FOR FOR YOUR LIFE WHEN THEY WANT TO START KILLING THE CHRISTIANS

Lets allow the security forces to do their job. I blieve everything that is going on will insha-Allah come to an end and the leader

Abubakar Shekau and other members of the leadership will by the grace of God be arrested sooner or later. I would like to advise my fellow northerners to watch over the children activities and their associates, cos these animals have resorted to recruiting under age. I will further advise Borno State govt. to cordone and subsequently demolish all the houses in the railway/abaganaram areas and other identified hideouts of these thieves. However, they should at the same time provide another accommodation to people living in these areas through their housing scheme, but carefully assess and ensure that those provided with the new accommodation are not the same criminals. During the demolition, they would be able to further assess the houses to identify their hideouts. Any house that has questionable character would not be honoured with another shelter. By so doing, this action will not only reduce the attacking power but also split them from staying together.

@ Fela, Islam is a totalitarian ideology. In Islam there is no separation of religion and politics. The two go paripasu. The Quran urges true muslims to conquer the world and to subjugate mankind to the rule of their god called Allah and that is exactly what the Boko Haram terrorists are doing. @Donald I do agree somehow with you except

that the slaughter of these misguided Almajiris by our Army is immoral. It would be better the Government goes after their sponsors. Every Dick and Harry in Nigeria knows them individually beginning from the Supreme Leader of Nigerian Muslims, The Sultan of Sokoto, Emir, Imams, all the Governors of sharia States and their cronies. Why can't we Southerners let the Abokis have their much cherished AREWA Theocratic Islamic Republic with sharia in their own separate State and leave us alone and in peace.
