Kano robbers killed

TWO suspected armed robbers were on Monday, mobbed in Yanlemo Market in Naibawa, Tarauni Local Government Area, Kano State for attacking a woman.

The victim, according to police report, is in the hospital receiving treatment.

The robbers were said to have pursued their victim from neighbouring Sheka area, before catching up with her at Yanlemo where they attacked her before residents came to her rescue and almost lynched them.

Police spokesman, ASP Magaji Majiya in a statement said, "Concerned citizens alerted the police who arrived at the scene and removed the victim and the suspects to the hospital.

"One of them died before arrival at the hospital while the other died during treatment."
