12 killed in Bauchi church bombing

Bauchi bomb blast | credits: *elombah.com*

No fewer than 12 persons were killed when a suicide bomber drove a Honda car full of explosives into the premises of the Harvest Field Church of Faith and Living Faith Church in Yelwa area of Bauchi State on Sunday morning.

Though, security agencies put the casualty figure at nine, an unconfirmed source, however, said 15 people were killed.

An eyewitness said the incidence occurred at 9.20am when members of the Harvest Field Church of Faith had just ended the first service and were about to begin the second service.

The eyewitness said the explosion destroyed part of the church building and some cars parked outside the church.

The state Commissioner of Police, Mohammed Ladan, who confirmed the incident, said nine people were killed, including the suicide bomber while 27 people, including one policeman and a soldier, were injured and currently receiving treatment at the Abubakar Tafawa Balewa University Hospital, Bauchi.

He said one improvised explosive device was found under a bridge near Dass Motor Park, along Yelwa Road, adding that it was defused by the police anti- bomb squad.

Ladan said, “On Sunday, the suicide bomber in a vehicle, a Honda Civic, attempted to force his way into the iron barricade at the entrance of Living Faith Church in Yelwa but was denied entry. In the process, the suicide bomber succeeded in detonating his explosives at the barrier opposite Harvest field Church of Faith, Yelwa.”

Ladan called on the residents of the state to remain calm and go about their normal activities, saying the police and other sister agencies were on patrol within the metropolis and other places within the state.

He called on members of the public to be vigilant and give useful information to security agencies to enable them bring those involved in the incident to justice.

Associate Pastor of Living Faith Church, Johson Akpeno, called on church members not to be discouraged or seek to retaliate because of their believe in the teachings of God which preaches peace.

Bauchi State Government condemned the attack, describing it as a callous act and act if cowardice.

Chief Press Secretary to Governor Isa Yuguda, who spoke on behalf of the government, commended the efforts of security agencies.

He warned that anyone found wanting would be dealt with according to the law.

Meanwhile, President Goodluck Jonathan on Sunday called on Nigerians not to be disheartened by the spate of bombings across the country. Rather, he urged all stakeholders to be comforted by the significant reduction in the frequency of such attacks in recent weeks. This, he attributed to efforts by security agencies.

In a statement by his Special Adviser on Media and Publicity, Dr. Reuben Abati, the President renewed his call on stakeholders to continue to support the efforts of his administration and those of security agencies to end the orgy of violence in the country.

The statement read, "While the recurrence of a heinous attack on a place of worship is most regrettable, the President urges Nigerians not to be disheartened by it."

well, i pray too but this issue of terrorism is not what prayer only solves,you have to take what in other countries is called God's dress code take a whole armour of God as instructed in the holy books...that is be extra vigilant anywhere you are, defend yourselves first and others if you have to,if you notice something out of ordinary or some unusual driver driving at unusual speed, all places of worship should establish a rule of engagement which must be abide by, by even rich people,get everybody on alert and move away from the place as far as possible.it takes indecisive approach to deal with these coward terrorists..

Because i flew into Abuja early yesterday morning, i worshipped at St. Matthew's Anglican Church, Maitama. The 4000-capacity sanctuary had a little over 250 worshippers owing to the current spate of bombings in the northern part of the country. May the Good Lord rescue us from Jonathan's cluelessness and incompetence.

Sad that this has happened again. We have to acknowledge however that their capacity (BokoHara) is being continually downgraded: their leaders are being captured or eliminated; their finance sources are now better tracked and blocked; we are beginning to see activities of the group disrupted before execution; and attacks have definitely reduced. What BH is doing is really sensationalism. Attacking unlikely places, just to be in the news. Does it prove any high military-capacity to attack a Church? But then, Govt must do more to put an end to this menace. The rest of us should continue to roundly condemn Boko Haram (I'm waiting to see ACN condemn these attacks, as a responsible opposition party should)

like prophet like his followers, im calling on muslims to strike out all d quranic verses where mohammed incited violence. mohammed urged to cut into peices anyone dare to leave his religion of islam, i tell u if islam allow his members to chose their fate thousands will leave islam every hour,, THE MONSTER MOHAMMED CARRIED OUT 78 WARS ONLY ONE WAS FOR SELF DEFENCE. TODAY MUSLIMS CLAIMED THAT MOHAMMED WAS PROTECTING MUSLIMS, MOHAMMED RAPE HIS ADOPTED SONS WIFE BY FORCE, MOHAMMED RAPE ONE OF HIS WIFES MAID, MOHAMED MARRRED A 6YRS OLD BABY AND RAPE HER AT 9, MOHAMMED RAPE MANY JEWISH WOMEN, MOHAMMED CONQUERD PPL AND TURN THEM HIS SLAVES USE HIS TRICK AND CALLED THEM. ADBUL ALLA, SLAVES OF ALLA, MOHAMMED COULD NOT PERFUME MIRRRACLE WHEN HE WAS ASKED TO, MOHAMMED COULD NOT SEE GODS ANGLES THE JIBIRIL HE CLAIMED THAT HE SAW WAS DEMON THAT STRANGELED HIM IN CAVE. QURAN WAS NOT REVEAL TO MOHAMMED BY GOD AS HE CLAIMED MOHAMMED STOLE ALOT OF VERSES IN D BIBLE TO WROTE QURAN THOUGH HE WAS AN ILLITRATE BUT SOME OF HIS ARAB MEN HELPED HIM. MOHAMMED WAS AN ANTI CHRIST HE LIED ALOT ABOUT JESUS THOUGH HE SAID SOME TRUTH BUT HALF TRUTH IS NOT TRUTH, MOHAMMED SAID

THAT JESUS WAS NOT CRUCIFIED AND HE DID NOT RISE FROM DEAD. HE SAID THAT JESUS WILL COME BACK TO D WORLD TO DESTORY ALL CROSSES AND KILL ALL PIGS IN THE WORLD. THIS IS REDICULOUS FOR ME.....NOW LET US JUST LOOK INTO THIS MONSTER HEART ONE OF HIS FOLLOWERS WENT TO MOHAMMED AND TOLD HIM ABOUT A WOMAN HE LOVE AND INTEND TO MARRY, BUT MOHAMMED REPLY WAS SHOCKING HE ASKED HIM WAS SHE A VIRGIN AND HAS MONEY ALL THESE THINGS SHOWS THAT MOHAMMED DONT REALLY CARE ABOUT LOVE, MOHAMMED CARE ONLY ABOUT VEGINA AND WEALTH. THATS WHY HE MARRIED AISHA COS SHE WAS RICH,, MOHAMMED URGED HIS FOLLOWERS TO KILL NON MUSLIMS UNTIL THEY SAID THERE IS NO GOD BUT ALLAH. ONE OF MOHAMMED LAST WORDS WHEN HE WAS DYING WAS CURSE BE UPON CHRISTIANS AND JEWS BUT TODAY CHRISTIANS AND JEWS ARE THE GREATEST PEOPLE IN HUMAN RACE, MOHAMMED WAS NEVER A PROPHET HE WAS DESIGNED OUT OF ENVY FROM ARABS COS JESUS COMES FROM JEW, MOHAMMED WILL STAND TRIAL ON THE LAST DAY FOR HIS CRIMES AND CLAIMS, MOHAMMED URGE HIS FOLLOWERS TO QUIT ALCOHOL AND PROMISE THEM A RIVER OF ALCOHOL IN HEAVEN AS A REWARD

@hassan. Idiot! Your Allah and Mohammed blasphemed against God. In the light of the old testament, Mohammed should have been stoned to death for adultery and blasphemy against the true God. Go on with your killings and effort to stop Punch. That will not distort the truth. What is blasphemy? Saying the truth about your cult and it's leader? How would you call Mohammed the prophet of God with the robberies he committed, the rape of war victims? A 55 year old man sleeping with a nine year old? You want me to go over it again? Have you been able to deny these allegations which are from your so called holy books? Yet you dare to accuse us of blasphemy? Do we accept Mohammed as prophet just because he claimed to be one and his life and messages says otherwise? If not that you are brainwashed, you should be ashamed of the life of sexual immoralities and murders of your

prophet. Oh! So you think by bombing the churches it will stop the truth from being told? If your religion and it lies we're fact, why not present them for rational thinking people to see? Why intolerant to critics and seeking for their death? Christianity has been on for 21 centuries, endured all sorts of persecutions and blasphemy by your folks yet we kill no one. Your religion is off the devil and your killings is just a manifestation of that. Jesus said, the devil came only to kill, steal and destroy, but He came to give life. Has Mohammed done better than kill innocent people of Banu, steal from the Jews and destroy their properties? Idiots! I am going to reproduce my former post here and want you to disprove them rather than attacking churches and the Punch.

The worst thing anybody can be is a Muslim. It's so bad and barbaric that if someone converts from Islam, the person must be killed by his immediate family and that

has been happening! They keep on shedding blood for their blood thirsty god/demon and yet they say Islam is a religion of peace. When Islam first came to the Yoruba race, they studied their converts and ended up giving them a name: they called them IMALE i.e. a religion that hardens the heart of men! What a shame of a religion

President Barack Obama once said that Muslims are not the enemy of the United States and that terrorist are not fighting religious war but political war under the covering of religious sentiments. I really agree with him in the case of Boko Haram and that is the reason am calling all true believers of Islam to stand up for what is right by condemning this group and their course. Our military intelligence need to be more articulate in their duties. If the United States intelligence can successfully locate Saddam Hussein hide out in Iraq and Bin Laden abode in Pakistan, there is no reason why Nigeria military intelligence can not successfully locate the hide out of Boko Haram whose operational base is somewhere between the Northern part of Nigeria and the Middle belt. If our military intelligence are finding it difficult if not impossible to locate the hide out of Boko Haram, how can they defend the country against a more sophisticated external aggression? Commander In Chief of Nigerian Armed Forces over to you.

Its so dishearten dat we re calling muhammed a bad leader, Islam is a religion of peace, it's doesn't teaches war, bombing and all sort of, if the bombing is done by some so called Muslim in the northern Nigeria, don't categories all muslim as wrong doers, they re lots of verses in the Quran where God said don't fight on my behalf, boko haram is just a stain in the blood using Islam to cover up. Please mind your words and don't disrespect a messenger of God, much respect is given

our lord Jesus Christ, respect the Muslim prophet too.and leave all dis for God to judge.

[Reply](#) [Link](#) [Quote](#)

• *Salman* June 4, 2012 at 6:41 am

@jaybe. Please read these and tell me if they are fallacies.....Why not dispute this claims rather than cursing. In any case what is not true in all he said? That he killed a wealthy Jew, arranged for marriage of the wife same day and slept with the woman? Is that a lie? He equally killed 900 Jew of Banu town, and fought over safiya the prettiest widow with one of his followers and slept with the woman same day. Is that not rape? He sent one of his wives away to visit her husband and when he thought the woman was away, went to the woman's house and slept with the house maid. The woman on her way remembered that that was her day, came back and met Mohammed sleeping with her maid. Is this a lie? Is it not true that he visited zaid his adopted son, saw the woman's nakedness, lusted after her and allah created problem the zaid's home leading to divorce to enable mohammed marry and satisfy his lust towards the zaynab? Dispute the story rather than raining curses. Or is it a lie that he married aisha when she was six and slept with her when she was nine? Was is it not abu that suggested that Mohammed should tell her wives to be putting on veils which later became an inspiration? Is it a lie that mohammed claimed to have heard a voice telling him that the three idols in Makkah are acceptable to Allah? He later claimed that the revelation was from Satan and not Allah. Is this a lie? Dispute the allegations

rather than declaring fatwa on innocent people. Read the Quran and the Hadith and dispute the things you see there. A Religion that is bereft of both conscience and the ability to use reason to defend its views turns increasingly to thuggery and violence in order to silence its opponents.

The truth is that Islam is akin to violence. I HAVE ALWAYS HAD ISSUES WITH THE TENETS OF ISLAM. They are all things but peaceful. I had to take the pain to read through many part of your Qu'ran. It is replete with very strong instructions to kill and maim the infidel (in fact in some places, it specifically mentions Christians). You have to understand that this is the crux of the problem. When people kill and believe (rightly so!) that it is an injunction, there lies the problem. So my friend, Islam does not preach peace, it preaches an uneasy peace where it MUST determine what happens and how people live by force (with matchet and guns). I have called you friend so that you know I have nothing against individuals. I have taken this up with quite a few of my moslem friends. The bitter truth is that in every moslem is a bottled-up cantankerous mind-set, even if it is to support/not condemn such vices. Islam does not preach peace!!!

Good morning my Nigerians, I read Punch with great attention. I have got into connection wit several muslims and I have to say that such amounts of lies I heard nowhere else. Lets follow the ONE ho has given HIS precious life for all of us on calvary. What a fold are you giving to our president Goodluck Jonathan? Can he go to protect all churches from our country? What an illusion!! Lets start to believe into our Lord of Lords Jesus Christ, life one for another and life in true love according to the Holy Bible. Praise our Lord Jesus Christ that we, who are alive still have the mercy from heaven to change our attitudes of living and commit our entire hearts in His hands, lets pray for Goodluck Jonathan who is surely trying to do his best. But lets commit our beloved Nigeria in the good wise hands of our creatour, Saviour Jesus Christ who has planes of love for all of us. May the Lord our God comfort all who has had victims in this blast on

Sunday but continue in the believing that your beloved ones you will meet again in eternity face to face with our redeemer Jesus Christ. May God bless and protect our beloved NIGERIA Amen!

Whoever blames islam and prophet for the activities of boko haram is not well informed, bcos it's a political war not a religion war confirmed by GEJ, Azazi and CAN president. Nigerian xtians make me laugh bcos of their allegations against prophet. First of all, you think Allah is a different "God" righty, I pity u all cos in Arabian land, xtians are there too, speaking arabic and they don't hav any other name to call their creator beside Allah and again u call urself a christ follower, u end-up call ur creator "God" and God u are referring as a name of ur creator is an english word derieved from german word "gutt" means (water-god), jesus didn't speak any of the two languages but speaks Aramaic, a semetic dialect, still exsiting till today in a some commuties in syria. My advice to you, pls go and learn Aramaic the language of jesus, if truly you are his followers, and confirm the name of creator in that language. Furthermore, u said prophet married Aisha at age of 6 or 9. Now, I know ur problem, u read books produced by enemy of islam from d western world or visitng their website. Well, This is the truth of the matter, he only proposed to her when she was 9 and became his wife when she was 14yrs, it's very common among people of semetic culture to pratice dis type of marriage, and it's not strange there but to us here, it's a strange thing. even though during his lifetime his great enemies never accused him of such pratice bcos it's part of their culture which is not against the law of creator, for instance Abraham @76 married Hagar @14. pls do little research on dis topic. Nigeria as a country have different tribes with their culture, some tribes are cannibals,

another tribes can use his wife to entertain visitor which is sound funny and stupid to another tribes in the same Nigeria, and such pratice it's aganist God's law yet they still pratice them but I've not seen it in any religion books that u can't marry somebody younger or older than u.

@Truth. You have to acknowledge that their capacity is being continually downgraded: their leaders are being captured or eliminated; their finance sources are now better tracked and blocked; we are beginning to see activities of the group disrupted before execution; and attacks have definitely reduced. What BH is doing is really sensationalism. Attacking unlikely places, just to be in the news. Does it prove any high military-capacity to attack a Church? But then, Govt must do more to put an end to this menace. The rest of us should continue to roundly condemn Boko Haram (I'm waiting to see ACN condemn these attacks, as a responsible opposition party should)

Prayers for those fanning the embers of terrorism in Nigeria:

You have sown the seed of tempest and shall reap the fruit of a tsunami; to every drop of tears from our eyes shall u shed an ocean of blood; for the fear u ve instilled in our lives u will be terrified for the rest of your miserable lives; to every household u ve brought sorrow you shall get wailing and gnashing of teeth; terror will swarm on you like locust from the north, south, east and west; you will be smitten by plagues worse than Egyptians suffered and diseases greater than Job's; you will enjoy all the curses in the Holy Book and drink the wine of God's wrath to stupor; you will be drenched in calamities and disaster shall welcome u at every turn. God's fury will haunt you and you will be chastised by his anger until u

kiss the dust! So shall it be, amen! Se mo se epe ni?

Islam is the world's most useless religion.
Muhammed the world's craziest prophet
Muslims the most stupid followers.

The whole thing is an exercise in insanity.
Islam does not make any sense at all no matter how you
look at it.
Very very hopeless religion!
