PDP chairman, wife, child killed in Jos

June 29, 2012 by Jude Owuamanam, Jos [109 Comments](#)

Chairman of the People's Democratic Party in Sharubutu Ward of Bachit District of Riyom Local Government Area of Plateau State, John Baren, his wife and child, were killed on Thursday at Gwarim in Rim village by gunmen suspected to be Fulani herdsmen.

An eyewitness said the Barens were returning from the funeral of a relation in Riyom when they were killed at about 3.30pm in a forest.

Confirming the incident, a member of the state House of Assembly, Mr. Daniel Dem, condemned the killings.

He called on the state's Special Task Force to step up efforts to apprehend the hoodlums.

The lawmaker described Baren as a hard worker and a committed party leader.

Spokesman for the police in the state, Abu Emmanuel, said the Barens were on their way home when their attackers hacked them to death.

@ aboki sulaiman, YOU AND UR TRIBES(hausa/fulani) ARE THE MOST CELEBRATED FOOLS ON PLANET HEARTH. WHERE IS gowon? I HOPE HE IS HEARING THE SCORES EVERY DAY BY DAY? THE EVILS THAT MEN DO LIVES AFTER THEM! gowon COLLABORATED WITH hausa/fulani & THE britains TO STARVE & KILLED BIAFRANS CHILDREN DURING THE CIVIL WAR, NOW THE REVERSE IS THE CASE. gowon & his hausa/fulanis SHOULD KNOW THAT nigeria WILL NOT EXIST MORE THAN 2015...I REST MY CASE.

[Reply Link Quote](#)

■ *DD* June 29, 2012 at 11:39 am

The Hausa/Fulani are not better than the Igbos & the Igbos are not better than the Hausa/Fulani. In the civil war both Nigerian & Biafran sides had supporters (internal & external), both sides had mercenaries as well, but both sides employed different strategies which brought about different results. Gowon should not be blamed for the defeat of Biafra. In fact, Gowon has such a large heart as to declare 'no victor no vanquished' and to urgently pursue the rehabilitation of Biafrans. Gowon should be respected. Also, Pius Anyim should not be insulted in the name of tribal bigotry.

All tribes in Nigeria deserve respect from one another whether they be majority or minority. Any act of contempt by one tribe against another can be counterproductive. Biafra is a purely Igbo affair and so Biafrans should respect the aspiration of the core Niger Deltans who are not Igbos. Biafrans should desist from drawing their maps as to claim the Niger Delta for Igbos. The Igbos are loved & respected: they should reciprocate.

If u do nothing n keep quiet, dis evil will continue n eventually consume d north. U have 2 start speaking against it publicly. But wit d kind of comments I see d

educated north make, they seem to be comfortable with d killing as a political tool. But not for long, bcos killers have a way of turning d sword on themselves.

PDP KILLED THEM QED! The problem with Nigerians is that they hardly identify the root cause of their problems. In 1999 a group of bandits in a quasi name PDP hijacked the leadership of Nigeria through hooks and crooks. They massively rigged the 1999 election with the help of a clueless dictator, Abubakar, who was leveraged by IBB and brought in a retired criminal junta, in the person of OBJ who turned Nigeria up-side-down. Today Nigeria is not only a failed state but “a state in dispair”. Nigerians are saying their last prayers at every moment of their live. Nigerians are in a precarious state of insecurity that is second to non in history. Agents of death hunting Nigerians inflicted by PDP government include: Armed robbery, Boko haram, plane crash, motor accident, boat mishap, okada crash, railway accidents, pirates, fulani herdes men, fake doctors and nurses, fake clergymen and women, clueless and mediocre president, house of representathieves, el-rufai house of fools, obj house of arm robbers, cultists, kidnappers, accidental discharge guys, flooding, burst oil pipeline, militants, fake drugs,bank direct-thieves and their mis-managers, pen robbers, 419ners, collapsed houses, Yahoo-boys, one-chance guys, witch crafts, political thugs, the randy and criminal minded university lecturers, hired assasins and our big brother AIDS and her sister HIV which they have used directly or indirectly as 97% of Nigerian women are prostitutes and postitution is the highest industry the PDP government has established in Nigeria—QED

We should not color everything from a religious perspective or introduce tribal cum sectional sentiments. The life of every man or woman matters and should not be subjected to ridicule when such lives are lost. No one should celebrate anybody's death as no one knows when and under what circumstance they would die. Let's all seek peace and harmonious coexistence in this country. Blessed are bridge builders. Woe unto promoters of hate and advocates of bloodshed, separation, religious and tribal extremism. Those who live by the daggers shall die by them. I love you all and may we live and think positively so we can in our little way bring about the desired changes that we want as we hope for changes in the attitudes of our leaders. When pdp lose a state, they will tell you that they will capture it back. Now the pdp chairman and Sambo told the Edo people that pdp will capture Edo back. They are not saying that the Edo electorate should vote for their party, but their strategy as usual is to capture it by all means. Just like Obasanjo would say that election for pdp is a do or die affair. pdp is a virus, an embodiment of corruption and they are potential killers anytime. Nigerians must be ready to show them the way out come next elections.

For the Barens, may their souls rest in peace. Enough of wanton destruction of

I still wonder where our conscience is going. There are things we cannot change. So why do we take vengeance or laws into our hands? I everyday ask, when will this evil end? When will this win of distraction cease? Only God can change us and our attitude. These things are not Africans.

Yes my Igbo brothers...I support you 100% in all this.

All these mumus who come here to say it is not a tribal or religious thing...are wrong. If not, na wetin? If these things are not tribal or religious, why has it taken so long for the greedy Hausa Fulani to relinquish power to other tribes? Why did it take so long for a Niger Delta son to become president? Why is no Igboman deemed fiut to rule Nigeria despite their huge contributiopn and population?

Why has Nigeria not apologized to Igbos and some Niger Delta minorities for atrocities committed against them during the civil war?

Why has the Niger Delta environment been so messed up? Will Hausa and Yoruba permit this nonsense of environmental degradation in their territories?

Its all about tribe and religion you self righteous hypocritical idiots!

I am an arch tribalist from the Niger Delta. No apologies to any bagger here.

Gowon is getting what he and his tribe deserves from their former allies the muderous Hausa Fulani.

Good for them to weep and wail as Niger Delta people and the Ndi Igbos did during 1966 to 1970.

Facking people (Hausa Fulani and Gowon people)!

a member of the state House of Assembly, Mr. Daniel Dem, condemned the killings calling on the state's Special Task Force to step up efforts to apprehend the hoodlums. Y calling on the state's task force now when the killings is on for more than @ years? Is it because the man is a PDP chief? This shows that they don't even know what they are doing.
