Tension as one dies in youth, gunmen

clash

Umbrella body of Muslims in the 19 northern states and Abuja, Jama'atu Nasril Islam, on Sunday in Kaduna asked the Muslims in the area to be vigilant following Friday's suicide bomb attack on a mosque in Maiduguri, Borno State where the Shehu of Borno and the Deputy Governor of the state narrowly escaped death.

The call came on the heels of an attack on Mahuta village on the outskirts of Kaduna on Saturday by suspected Boko Haram members. One person was reportedly killed in the attack.

The Police Public Relations Officer in Kaduna, Aminu Lawan, who confirmed the incident, said two gunmen were apprehended in connection with the attack by residents.

An eyewitness told our correspondent that the gunmen had gained access to the residence of the village head but the monarch jumped the fence and escaped.

The quick intervention of youths of the area was said to have saved the situation as the youths confronted the gunmen and in the process seven of the residents were shot.

The statement by its Secretary-General, Dr. Khalid Aliyu, read in part, "In the light of what ensued, we call on all Muslims to be vigilant and be more fervent in prayers for peace and harmony to return to Borno the land of Qur'an memorisers and by extension Nigerian."

Meanwhile, residents of the Gonin-gora community in the southern part of Kaduna on Sunday dismissed called by the Emir of Katsina on the Federal Government to demolish the settlement following the reprisals in the wake of the violence in the state last month.

However, spokesman for the residents, Mr. Sunday Ibrahim, at a news conference insisted that the call was uncalled for.

He said, "Gonin-Gora is a mini-Nigeria with people of different Nigerian ethnic nationalities such as the Gbagyi, the Igbo, the Igala, the Yoruba, the Tiv, the Nupe, the Atyap, the Efik, the Ijaw, the Calabari, the Ham-Jaba people, the Itsekiri, the Uroboh, the Idoma, the Bachama, the Adara people, the Bajju, the Zurus and infact the Hausa Fulani Christians."

CONSCIOUSNESS AND VIGILANT BY EVERY BODY IN BORNO STATE WILL HELP BRING PEACE TO THE STATE , STOP EMINENT ATTACK AND EVENTUALLY ERADICATE ANY SAFE-HEAVEN TO ANY POTENTIAL TERRORIST AND TERRORISM IN THE STATE.....THE BOKO HARAM HAVE BEEN HAVING A FIELD DAY IN CARRYING OUT THEIR DEADLY ATTACKS BECAUSE THE LOCAL PEOPLE

AND THE COMMUNITIES IN GENERAL HAVE NOT BEEN HELPING THE POLICE BY BEING VIGILANT AND CONSCIOUS AND REPORT ANY UNWHOLESOME PEOPLE AND MOVEMENT OF PEOPLE IN THE STATE TO THE POLICE. I BELIEVE THE COMMUNITY AND ITS INHABITANCE CAN BRIDGE THIS GAP AND DO WHAT IS RIGHT BY REPORTING TO THE POLICE ANY SUSPECTED MOVEMENTS AND PEOPLE IN THEIR STATE.

IT IS NOW CLEAR THAT BOKO HARAM & THEIR FOREIGN ALLIES HAVE DECLEARED WAR ON NIGERIA. DAVID MARK SAID THE GOVT WAS WAITING FOR A SENATOR TO BE KILLED TO MARK THE PEAK OF BOKO HARAM VIOLENCE

BEFORE GOVT TAKES DRASTIC ACTION. MAY BE GOVT IS NOW WAITING FOR A GOVERNOR OR THE PRESIDENT TO BE KILLED BEFORE ANYTHING CAN BE DONE.

Why are these people so notorious all over the world? In the Arab land, Africa, USA, Israel, etc these people of the same faith are a menace to their neighbours. What is their problem?

They are filled up with the spirit of violence . It has been bottled up within and theyhave been taught and talked into this several times and now it is manifesting in thier lives .

If you leave them all alone in an area , they will turn on themselves and kill

themselves out. the only reason they seem to be significant now , is because they have peace loving neighbours.

The Emirates are Involved July 16, 2012 at 4:59 am

Untill the Northerners appreciate the fact that their emirs, their politicians and prominent people in the North are the BH insiders they can never succeed riding of the endemic of violence in the region. Those people including the emirs have no specific business. Government is the source of their income. Now that the ball is no longer in their court, they want to do every possible thing to shift and topple the government.

Ochie,
Do not make judgment on issues or scriptures you do not understand. There is nothing satanic or evil about the Koran. If you want to gain respect you must respect the views and beliefs of other people even if they are of no interest to you. The era of the stratification of society on the basis of religion is gone. Nowadays, you do not have to believe in anything. But God damns your soul, if he exists and you doubt his existence. Memorization of the Koran and its recitation are important aspects of the religion.

The simplest way to make endless and emergency cash is by doing the jobs that the owners hate doing for the reasons best known to them. It is high time to get in and milk in these opportunities. For more information, type the words inside the bracket one after the other((((top,secrets,you,must,known)))) into your browser, remove the commas between them, end it with dot com and click go or enter. You will uncover the real things the wise people are doing to rake in abundant cash in spite of this global economic crisis. You will be shocked at your ignorance for what you have been missing in life. They are the only links between you and success now.
