Eyewitnesses said other victims of the accident were traders and some commuters.

It was learnt that a lot of people were seriously injured in the crash. Those injured were said to have been rushed to the General Hospital, Ijebu-Ode and the Olabisi Onabanjo University Teaching Hospital, Sagamu, for treatment.

Details of the accident still sketchy at press time but able to report that no fewer 30 persons were dead. What do you call this type of reporting cowboy journalism or lazy reporting ?
