# Gunmen blow up Anambra hotel, kill two policemen

October 2, 2012 by Emmanuel Obe [134 Comments](#)

Inspector General of police,  
Muhammed Abubakar

Gunmen on Monday shot and killed two policemen on patrol at Abor Akuzor, Umusoime, Nkpor in Anambra State.

Some other policemen on patrol with the cops were also injured in the incident.

The policemen were said to be attached to the Ogidi Police Station, Idemili North Local Government Area.

The gunmen were also said to have led some people to destroy part of a hotel building under construction in the area.

The building allegedly belongs to the Chairman of Abor Akuzor kindred, Chief Okechukwu Nwafoagu.

The killing of the two policemen came on the heels of a similar killing of a woman, Ogechi Okechukwu, on Sunday by gunmen, who attacked the village.

The hoodlums were alleged have used explosives suspected to be dynamite to destroy the mega hotel.

The Abor Akuzor people have been embroiled in a land dispute with their neighbouring Oramadike people in Ogidi.

The dispute, which sometimes turned violent, has led to loss of lives and destruction of property.

The Monday attack on Abor Akuzor was the third since May this year. The hotel, which is at the roofing stage, was attacked and property including generators, were set ablaze.

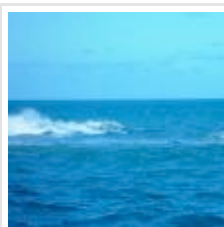

The Police Monitoring Unit, Force Headquarters, had, because of the killings and destruction, summoned the Chairman of Abor Akuzor and his Oramadike counterpart to Abuja, where they were made to sign an undertaking to maintain the peace and order.

Nwafoagu, whose hotel and property were destroyed, blamed the police for not acting early on the information his people had given them.

He said, "In all the attacks, I have always called the security agencies in and outside the state and sent text messages to all their heads. I have been saying it that the activities of these hoodlums should be checked to avoid loss of lives.

"My people have provided necessary information on where to arrest them, their source of arms, yet these information have not been acted upon."

They already did. All the armed robbery at banks in Yoruba land are caused by people of Igbo extractions. What we need to do now is form a vigilante group to start killing them (the robbers).

Besides, all Igbo business men/women should be under watch henceforth. One thing though, they are afraid to target northern part of the country. They knew that SW is an easy target!

People dont value lives in country like Nigeria, where masses live in abject poverty. Mr poverty is a deadly poison as we all know. Anyone with affluence will not go near weapons because he wont like to die or hear anything associated with death.

Due to unemployment that has enguffed this country as a result of bad leadership, people decide to join Nigeria

Police Force reluctantly.

Take not also that most of us live in Yorubaland where activities of whichcraft and rituals are performed on daily basis. These activities are even advertized in Buses for people to patronize them. Please, Yorubas should shut up on issues of crime in this country, You are the originators of evil. What about the Ijebu-Ode accronym for ritualistic tendencies and Oyenusi the dare-devil robber that terrorized Nigeria in the past? Then Truely, the problem of Igboland is Anambra State. We all know it and that was because they were mainly traders that lacked education from the onset. Yes, Zik and Ojukwu were from Anambra State but they had the priviledge of not being brought up in Anambraland. My Anambra brothers, enough is enough. Stop living lives of shame. Stealing and Killing was never associated with the Ikenga with which the Igbo nation is known.

Take more to education and get good handiwork like your brothers from Imo state.

Do i talk of buses fully loaded with sleeping passengers completely missing while some pastors & sister were able to escape. Please, please lets leave this tribal behaviours alone. Finally, those that insult igbos (Aka Ikenga, Nwamadi, Agu Nri, Odum ne'gbu agu) dont know that the igbos have the strength, capability, stamina & know-how to drive away all inhabitants of naija & occupy the entire naija landscape – the guy posting that igbos will soon leave our wealth for any lazy folk is wishfully thinking with his anus.

@concern when ur father was selling your family land in Lagos to Emeka I adviced you against it but you wouldn't listen because your father promised you 5 million naira from the proceeds and also entered agreement with Emeka to allow your family retain 2 rooms. I also warned you when you were lavishing the money on ibo girls that they don't love you but only want your money, but you wouldn't listen. You forgot that ibos hate to live in dirty rickety houses, so now that Emeka has demolished the house and built that fine mansion you still want to live there free of charge, instead of to pay the required rent as the court ruled. I don't want to believe that a whopping 5 million naira has gone down the drain through owambe, has it? Why transfer your aggression to the entire ibo race? Did Emeka force your father to sale his property to Emeka? Well the truth is that you can't eat your cake and have it, even the Yoruba judge who ruled the case knows this. So please stop disgracing your family and tribe

For those nonentities that say Igbos are the problems of Nigeria, look at your lives, you keep hating Igbos, expend all your energy on being tribalistic. I am not referring to all the Yorubas because there are civilized intelligent ones who won't make any tribal comments but will condemn the issue on ground. I read various peoples comments for any published issue and have resolved that tribalism is a disease within these individuals that will eventually kill them.

To all of you who hate the Igbo tribe, one day you will need help from an Igbo man/woman in a matter of life and death situation and you will never get the help. I repeat, you will never get the help, even if on this forum, you hide under the name concern,9JA DELTA 4

LIFE,Abiokoug,Tundeben,caesaro,Gideon,Bukky,Mickie,Mc Manus,Paul. You have so much hatred and bitterness in your black hearts that you won't wait for any story relating the the Ibos to land before jumping into condemnation of the Igbo tribes.I encourage you guys to continue and progress in your hatred and bitterness as the next step will be to spiral down,down,down.

We have been living together as a nation for more than 50 years.Nigeria cannot boast of basic human necessities like road, electricity, hospitals and security. From the different comments made above you can see how bad we have degenerated. Our leaders should be blamed for the total decay of our society. The youths of various tribes and ethnicities should note that the future of this country belongs to us. We should learn to appreciate the vantages of each tribe in Nigeria for a better tomorrow. We need a leader who can speak, understand and read the mind of every Nigerian; a young and vibrant leader who cuts across all the ethnicities. Nigeria needs to be together to remain strong in the world affairs. We should work and pray towards a better leadership.

Awo planted hatred and deceit in the hearts of the Yoruba against the Igbo since the 50s. His ardent followers dominant Yorubaland today, not because they are more in number but because as the saying goes evil thrives where the majority good people are passive. 80% of Yorubas are good but passive.
