Three policemen killed

THREE policemen attached to the Swift Action Response Squad in Osun State were killed in an auto crash which occurred along Iwo/Ibadan road late on Friday.

Our correspondent gathered that two other policemen were injured in the accident, which occurred around 10:45pm.

The policemen were, on patrol when a vehicle coming from Ibadan hit the patrol van and killed the three cops on the spot.

The injured are said taken to a hospital where they were receiving treatment.

A police source within the command told our correspondent on the telephone that some Good Samaritans attended to the victims and took them to a nearby hospital before the rescue team from the police command arrived.

The vehicle, which hit the police patrol van, was said to have sped off after he discovered that some persons had been killed.

The Police Public Relations Officer in the command, Mrs. Folasade Odoro, could not be reached as calls put across to her telephone didn't go through.
