A group of unidentified gunmen on Friday shot and killed two members of the Peoples Democratic Party in Aluu community in Ikwere Local Government Area of Rivers State.

The victims identified as Odinaka Wichendu and Nkanum Nwonkwo, were PDP leaders in Omiike-Aluu before they met their untimely death.

Also, the leader of the All Progressives Congress in Rumueprikom, Obio/Akpor Local Government Area of the state was shot by suspected political thugs during a ward-to-ward campaign for Dr. Dakuku Peterside, the party's governorship candidate.

The two PDP members were said to have been killed in their residence when the gunmen raided their houses and shot at them.

One of the victims was said to have spoken out against the spate of politically motivated violence in Aluu, oblivious that he would soon become a target.

Meanwhile, several persons were injured when armed thugs shot sporadically at an APC ward-to-ward rally in Obio/Akpor Local Government Area.

One Tasie Wike was seriously injured during the incident, which happened in the local government area of the PDP governorship candidate, Chief Nyesom Wike.

But the State Police Public Relations Officer, Mr. Ahmad Mohammad, said he had not been briefed on the attack that led to the death of two PDP members.

Mohammad said when the police had the shooting in Obio/Akpor, they raced to the scene and restored order.
