SEPTEMBER 20, 2015 : ALEXANDER OKERE 0 COMMENTS

A security guard at a girls secondary school in Oredo Local Government Area of Edo State, has stabbed a middle-aged man to death.

It was gathered that the incident, which occurred at about 12pm on Friday, disrupted academic activities and caused panic among the students.

It was gathered that the guard had accosted the victim and three other persons and questioned their mission when he noticed their suspicious movements in a bush within the college.

The security personnel was said to have allegedly hit the suspected intruder with a sharp object, in self defence, after a violent confrontation ensued between him and the victim, who died few minutes later, as a result of the injury sustained.

The other intruders allegedly ran away, as soon as they noticed what happened.

Efforts to reach the state's Police Public Relations Officer, Mr. Stephen Onwochei, were unsuccessful, as calls to his telephone number were not answered.

It was, however, learnt that the guard was later arrested along with two others by police officers from the Oba Market police station, while the corpse of the man was taken away.
