A yet-to-be identified nursing mother has been crushed to death by a motorist on the DLA Road in Asaba, Delta State.

Eyewitness told our correspondent that the woman and her two-month-old baby went to buy bread on the road on Tuesday when she was crushed by the 28-year-old motorists.

The eyewitness stated, “The woman was trekking on the walkway when the motorist, who was on speed, veered off the road and crushed the woman to a fence and fracturing her skull in the process, and she died on the spot.

“The driver has been arrested by the police, while the Toyota Corolla car he was driving was impounded and taken to the police station.”
