Adeyinka Adedipe, Benin

A man, identified simply as Kadir, has reportedly killed his brother, Suleiman, over misunderstanding.

It was gathered that the incident happened on Friday at Auchi, in the Etsako West Local Government Area of Edo State.

Our correspondent was told that before the incident, Suleiman had an argument with Kadir's wife over the way she insulted her mother-in-law.

It was gathered that Kadir, who was not at home during the argument, learnt about it on getting home and engaged Sulaiman, who was his younger brother in brawl, which was settled by their mother.

It was learnt that the suspect later traced Sulaiman to where he went to late in the evening and allegedly stabbed him and absconded.

The deceased, who was said to have been rushed to the hospital, died on Saturday from the injury he sustained during the attack.

The state Police Public Relations Officer, DSP Princewill Osaigbovo, confirmed the incident.

He said, "The victim died at the ST. Jude hospital where he was rushed to for medical attention."
