THE Chairman of Wukari Local Government Area of Taraba State, Mr. Daniel Adi, on Sunday reacted to the killing of a farmer, Useni Mikin, by gunmen, assuring the people of the area of adequate security of lives and property.

Adi told our correspondent in a telephone interview that Useni was killed when he wanted to fetch firewood in his farm along Tsokundi Road.

“Some criminal elements carried out the attack. I don’t think it is a planned attack.”

“We are peace-loving people without any problem, but the criminals want to cause problem. I want to assure the people of the local government of adequate security as security agencies are doing their best to root out the criminals,” he said.

Taraba State Police Public Relation Officer, Reform Leha, could not be reached for comment as his line was switched off as of the time of filing this report.
