THREE persons have been crushed to death by a truck loaded with grains in Adamawa State.

PUNCH Metro learnt that the accident occurred on Monday at the Viniklang Junction, just before the Jimeta Bridge on the way to the city centre.

Two of the victims were said to be on a motorcycle, while the third victim was crossing a road when the truck rammed into

them.

It was gathered that the articulated vehicle was speeding down the slope of the Bajabure Industrial Complex hill when it crushed the three men at the junction.

Our correspondent, who visited the scene, observed as irate youths blocked the highway and threatened to set the truck ablaze.

Security personnel later removed the remains of the victims.
