The Delta State Police Command has arrested a man, Morrison Okomor, for allegedly killing his girlfriend, Tega Okpako, in Asaba, the state capital.

A source told our correspondent that the suspect, who was detained at the Police 'A' Division in Asaba, stated that Okpako was drunk, fell and died.

The source said her family started raising eyebrows when they saw her corpse at the Federal Medical Centre, Asaba.

Another source from the family said, "We were surprised when we saw her corpse at the FMC with a deep hole in her forehead connoting an attack because such a hole cannot be a result of a fall.
