Abdullahi said the crash was caused by a speed limit violation which led to a loss of control.

He said those involved in the crash included two male adults and four female adults.

The FRSC boss said the corpses of the deceased, one male adult and four female adults, as well as the injured person, were handed over to the officer in charge of the Tashan Durumi outpost of the Nigeria Police Force.

“Motorists should always drive within the approved speed limits and also observe road traffic rules and regulations,” he advised.
