

He also said, in Zamfara, another terrorist kingpin, identified as Mai Solar's camp, was destroyed, with several terrorists killed.

"Airstrikes were also carried out at the enclave of a terrorist kingpin known as Mai Solar in the Maru LGA of Zamfara State. The airstrikes took out clusters of enclaves used as hideouts by the kingpin and his cohorts at the location. It was a successful strike, as few survivors were observed fleeing the scene of the strike. There is no confirmation if Mai Solar was among the terrorists eliminated," the statement added.
