

In another incident on Tuesday, the state fire service also recovered the body of an unidentified man from Asa River which passes through Ilorin metropolis.

“On Tuesday, November 7, 2023, the Kwara State Fire Service swiftly responded to a call in the Isale Asa Amilengbe area of Ilorin, Ilorin East Local Government, at 17:08 hours.

“The dedicated firemen exhibited their remarkable skills and successfully recovered the lifeless body of an unidentified man, approximately 43 years of age.

“The body was handed over to a team of police officers from the A” Division of the Nigeria Police Force in Ilorin.”

The Director of the Kwara State Fire Service, John, emphasised the importance of safety and urged the general public to remain vigilant at all times.
