Investigation by *P.M.News* revealed that in the last two months, no fewer than six armed robbery attacks have been recorded in the area.

During the attacks, residents lost valuable items, while two persons were killed.

Unfortunately, the armed robbers were never arrested each time they struck, as they disappeared into thin air.

Last week, armed robbers in mobile police uniform, numbering about 15, invaded the town and took over major areas. During the raid, they robbed residents freely.

The robbery incident was also confirmed to *P.M.News* at Area 'E' Police Command, Festac Town.

A police source at the command said investigations have commenced in earnest and assured that the bandits would be arrested soon.

Some of the residents who spoke to *P.M.News* said they have witnessed more armed robbery attacks in the last two months than they had ever experienced in many years.
