Burst Tyre Kills 2

DAMOLA OGUNDIMU

There was pandemonium in Otto yesterday as two persons were killed yesterday when trailer tyre they were working on exploded.

The victims identified as a welder named Saheed, and a vulcanizer, were instantly killed

when the rim of the tyre flew off the tyre and chopped off the head of the welder and smashed the head of the vulcanizer.

According to sources at the scene of the incident, the vulcanizer had just inflated the tyre, which he took to Saheed, to weld a dent in the tyre rim, and it was while he was doing so that

the rim flew off, clearly chopping off the head of the welder.

Residents of Otto were shocked in the wake of the incident and described it as very strange.

The two bodies were later removed by policemen from Denton Police Station and taken to the mortuary.
