

JTF Kills 5 Boko Haram Members

MADU NMERIBEH /Kano

Five Boko Haram members including a woman were killed at their hideout in dawn operation by the Joint Task Force at Darinalawa, within Kano metropolis, Northeast Nigeria

The operation carried out by the JTF was made possible as a result of information by residents of the area.

A top security source revealed that there was no casualty on the part of JTF.

The areas has been cordoned off with the deployment of an armoured personnel carrier while an Air Force helicopter

was seen hovering in the air.

Three days ago, JTF arrested five terrorists suspected to be members of Boko Haram.

At the time of filing this report, there was huge security presence within Kano metropolis.

Despite patrol of major streets by JTF, plain cloth security men were stationed in strategic locations.

When *P.M.NEWS* called the spokesman of JTF, Lt. Ikedichi Iweha, he said: "I will get back to you shortly."

As at the time of going to the press, the JTF spokesman was yet to respond to the call.
