Robbers kill 400 level student of Nasarawa varsity

From **ABDULLAHI SHUAIBU, Lafia**

Robbers in the early hours of yesterday, attacked the residents of Doma town in Nasarawa State, killing a 400 level student of the state university in Keffi and injuring several others.

Checks by *Daily Sun* revealed that the victim, identified as Godwin Adanu, met his tragic end while trying to escape from the robbers. The hoodlums were said to have hacked him down with machete, while other residents, who escaped with serious injuries are receiving treatment in hospitals in Doma.

Speaking to *Daily Sun*, one of the residents attributed the incident to lack of proper security in the area and urged the government to take security matters very seriously.

When contacted, the Police in Doma declined comments on the incident. As at the time of filing this report, there was tension in the community.
