...As man kills friend over ownership of phone charger

From ADE ADEYEMI, Ijebu-Ode

A 27-year-old man was at the weekend killed by his friend over the ownership of a mobile phone charger. The tragedy occurred at Isapodo area of Ijebu-Ife, in Ijebu North-East Local Government Area of Ogun State on Sunday.

The victim, Mr Dele Oje, described as an easy going person by his neighbours, was said to have been allegedly killed by his friend, simply identified as Muyideen after the latter requested for a phone charger from the former.

Investigations revealed that Oje had earlier argued with his friend over who owned the charger minutes before he was killed.

Shortly before his death, an argument had ensued between the duo, prompting neighbours in the two-storey building to intervene.

Unfortunately, the neighbours had barely left the scene of the argument, when Dele's friend descended on him as the deceased attempted to have his breakfast and slashed his throat with a sharp object.

A neighbour of the deceased who did not want to be named, narrated what she described as an unfortunate incident, said: "We had earlier settled a seeming quarrel between the friends over the ownership of a telephone charger when Muyideen killed his friend".

Another resident who identified himself as Abayomi Oyeyemi also said that after the murder,

The body has been deposited at the Ijebu-Ode General Hospital mortuary while Muyideen who was arrested by the youths in the community had been handed over to police at the Ogbere division.

The state Police Public Relations Officer (PPRO), Mr. Muiwa Adejobi, who said he was yet to be briefed by the Ogbere Divisional Police Officer, added that he did not have details of the incident.

Ehh , Chidi , this your 419 advertorial is highly irritating . You are less concerned about a life of your fellow Nigerian that was hacked down while taken a meal after minor squabble that later took away same persons precious life. So you found it worthy enough to highlight this fraudulent Internet scam to members of the public to abide? You must be crazy in indeed.
