

5 Meanwhile, unknown gunmen at the weekend in Kaduna killed a staff of National Steel Raw Materials Exploration Agency, (NSRMEA) located in Malali, Kaduna North council area. The late Ibrahim Mohammed Tella was said to be on a motorcycle on his way from the Tipper Garage, Malali Village along with his six years old boy when the gunmen approached him and shot him from the rear and zoomed off.

An eyewitness, Ibrahim Saleh, confirmed that the incident happened opposite the popular Destiny College, Malali GRA when suddenly, they heard gunshots. just to discover that the perpetrators had escaped leaving the man in his pool of blood.

Others who didn't want to be named, also confirmed that the late Tella spent the weekend working on his farm which is across the River Kaduna along the new Yakowa Road. On the fateful day, he left with his son to the garage for lunch when he received a phone call that somebody was waiting for him at the farm and he returned immediately to the farm on a commercial motorcycle.

The motorcyclist, who would not disclose his name, confirmed that three men on another motorcycle were trailing them when suddenly, they started firing at Tella and zoomed off to an unknown destination after confirming that he was dead.

His brother, Yusuf, wondered why Ibrahim, whom he described as a gentleman, would be killed by unknown gunmen. "My brother doesn't make trouble, so I wonder why someone will just kill him like that, we live everything to God," he said.

The Kaduna State Police Command's spokesman, Aminu Lawan, a Deputy Superintendent, confirmed the incident and assured that the force will arrest
