8 perish, 2 injured in Cross River auto crash

From JUDEX
OKORO, Calabar

It was a bleak Sunday for Adim community in Cross River State as 8 persons reportedly died and 2 seriously injured in a tragic auto accident.

The accident, which occurred at about 5pm on Sunday evening at Adim in Biase Local Government Area along Calabar/Ikom high way, was said to have been caused by a truck driver who in an attempt to avoid a pot-hole rammed into a stationary car carrying eleven passengers.

On October 28, 2010, at the same spot a tanker carrying truckload of petroleum products in an attempt to also avoid the same spot on the road, skidded off and rammed into a residential building and caught fire with property worth millions of naira destroyed.
