Pastor, church member arrested for killing virgin for ritual

By Christopher Oji

The General Overseer of a fast growing pentecostal church in Lagos has been arrested by the Police for alleged ritual murder. The pastor simply identified as Fireman has been detained at the State Criminal Investigation Department (SCID), Panti, Yaba, Lagos following alleged confessional statement of an 18-year-old boy, Ikechukwu, who was caught strangulating a 12-year-old girl identified as Bose.

Ikechukwu had told the Police that the Pastor had contracted him to kill a female virgin and bring her faeces for a N100,000 fee. The pastor was arrested after five days on the run. Ikechukwu, who was paraded at SCID, Panti by the state Police spokeswoman, Ngozi Braide, narrated how he strangled the girl.

"I started attending the church in Surulere since 2011 when I heard how the man of God was performing miracles and I believed in the pastor. After Christmas celebration, I was ashamed that I had nothing for the New Year celebration, especially clothes. The spirit moved me to approach my pastor for help and when I met with him, he promised to give me N100,000 if I could get the faeces of a strangled virgin.

"I agreed to get the faeces of a virgin. I remembered a food vendor's daughter, who I suspected was a virgin and I went to the woman's shed at Badagry. When I met Bose, I bought rice and plantain from her. She served me and after eating, I lured her to an uncompleted building on the pretense that I wanted to show her something. Immediately we entered the building, I held Bose on the throat until she defecated and died. I wanted to pack the faeces when I heard the shout of a man calling for my arrest and I tried to escape but I was arrested by some people.

"They wanted to kill me but a man begged that I should be spared so that I can be used as witness against the pastor. I thank God that my life was saved because the pastor would have denied that he sent me.

Police spokeswoman, Ngozi Braide, said the pastor has been arrested after many days of

All these Alfas in Nigeria that later turn their services into religion finds it more easier to adopt the name Pastor to deceive members of the public but God will expose them all.
Who knows how many times this man had killed innocent people in similar circumstances?
So IKECHUKWU , even though one offer a million dollar to you it is easy in such manner to kill a girl from your fellow human being that served you a meal ?
Government should kill you alongside that devilish pastor. By the way , why must they hidden the name of the so-called high rising congregation in Lagos? Tomorrow some lawyers in the name human right group will come up to defend these useless murderers . Killing a young girl Bose in the act of performing miracles though there haven't being a time I believe in all these abragatabra solutions . It is all meant for lazy people that wants to cut corner. Stupid people , what type of ugly news is this for the year 2014?
I don't know why this nation is growing in evil more than other countries in the world.
Every murderer today in jail , government should sign up their death warrant without delay. State governors are not helping matters in this direction because they are afraid to lose votes towards their execution. All on personal gain, nonsense !

So because Pastor was involved in ritual killing, you are referring him to be Alfa? You people better use your senses, most Pastors who paraded themselves as miracle performers and you rush to them for "miracles", do you know where they get these "power"? This the least you heard yet you will never use your head to ask GOD to show you the right way for eternal salvation. 95% of the so called "men of God" seeks satanic power to mislead people to their fold because they don't believe in God but to make money and live life of affluence. You have seen many today, I don't need to mention names. Try to be wise before it is too late.
