## Trailer kills conductor in Lagos

By **Chukwuebube Jacinta & Onunkwo Uche**

**A** trailer conductor was killed yesterday morning in Coker axis, along Lagos-Badagry Expressway in Lagos.

Eyewitness said the unidentified conductor had called on a trailer driver to help shift the trailer forward so he could offload goods in his trailer.

It was gathered that as the driver agreed to his request and moved the heavy-duty vehicle, the brake failed which caused the vehicle to crush the conductor against another trailer.
