

## 2 missing students found dead

From **Magnus Eze**, Abuja

**CORPSES** of two Junior Secondary School (JSS) 3 students of Federal Government College, Okposi in Ebonyi State were yesterday found floating in a river in the community.

*Daily Sun* gathered that the two boys (names withheld) got missing since May 12, the same day they finished their Junior Secondary School Certificate Examination (JSSCE).

The cause of their death could not be immediately ascertained.

The school authorities did not make their missing public until last week when a search team involving the staffers of the school, security agencies and the natives commenced.

It was a near fruitless search until yesterday afternoon when a woman who had gone to fetch firewood at the nearby Ata River saw the already decomposing corpses and raised the alarm.

But a security source confirmed that the corpses had been deposited in the mortuary at the General Hospital, Okposi.
