A 52-year-old man, Mr. Benjamin (surname withheld) of Ayegbami area of Sagamu, Ogun State, died while having marathon sex with his concubine in her house last weekend.

The light complexioned man, was said to have left his pregnant wife at home, on the excuse that he was going for a vigil in the church.

Instead of going to the church for the said vigil, he allegedly went to spend the night with the secret lover where he met his sudden death. Daily Sun, gathered yesterday that late Benjamin, whose corpse has been taken to Ijebu-Igbo, his home town, for burial, has allegedly been spending weekends with the secret lover on the excuse of going for vigil.

The main cause of the death has not been disclosed apart from the fact that he died during sexual intercourse.

It was learnt that the man had suffered partial stroke some years ago after the tragic death of his first wife who was involved in the ill-fated Sosoliso air crash at Lisa Village, Ogun State, in 2005, while coming from Abuja.

Late Benjamin, who was living with his wife in a free accommodation and a car belonging to his mother-in-law, until his death, was said to have already got children from his first marriage, while the pregnant young wife has no child.

The woman, Mrs. Ajoke (surname withheld), who was still in a mourning mood with her mother were not willing refused to make any comment on the development.

A neighbour who did not want his name published, said: "It's a shameful development which came as a surprise to us. He was the one his mother-in-law put in charge of the construction of her house to supervise the project."

On whether the case has been reported to the police, he said, "the woman and his mother were all embittered that in spite of all they have done for him, he could still be pretending to go for vigil and be having extra-marital affairs.

"What we heard was that, they sent message to his family to go and remove his body from the concubine's house.

The concubine, a young woman, named Bimpe, was said to have vacated her house in Ayegbami extension, near Agura, Sabo, Sagamu where the deadly romance took place.
