involved a trailer laden with cement and a bus, caused gridlock along Onitsha-Owerri Expressway.

Eyewitness said five persons died while police said only two persons died and three others injured when the truck lost control and hit the incoming bus, killing three passengers and injuring others. The state Police Public

Relations Officer (PPRO) Nkiruka Nwode, an Assistant Superintendent of Police (ASP) who confirmed the accident said the police is yet to ascertain the cause of the accident at press time.

She noted that those injured have been taken to an undisclosed hospital while the dead were taken to the morgue.

The PPRO stated that prompt intervention of police and other security agents saved many lives as they were rushed to the hospital. She, however, warned drivers and road users to be careful while driving and always obey traffic rules and regulation of the Federal Road Safety Corps (FRSC) to avoid accident this Easter period.
